Health Minister Aamer Kiani directs Holy Family Hospital to improve the services during his surprise visit

Islamabad 09 January 2019: Today Federal Health Minister Aamer Mehmood Kiani paid a visit to Holy Family Hospital, Rawalpindi to monitor the conditions and quality of care being administered to patients.

Previously Prime Minister Imran Khan during his surprise visit expressed his displeasure over poor situation of the hospital services and tasked health minister to improve the hospital confusions in line with the vision of Naya Pakistan. Patients and caregivers complaint about quality of services and lack of facilities to the PM.

Upon directives of the PM, Health minister not only paid a visit to the hospital yesterday and issued immediate directives today reviewed the implementation on the directives.

Health Minister said that, provision of quality health services to all people is basic responsibility of the government and we shall leave no stone unturned in order to fulfil the duty.
